The main aim of this training course is improving Information and Communication Technology (ICT) competences of youth workers needed for successful initiation, implementation and promotion of activities/projects outreaching young people of today.

IN THIS TRAINING YOU WILL:

- Gain competences needed for using new media tools in projects, participation and information campaigns aimed at young people;
- Find out more about non-formal and cooperative web-mediated learning;
- Learn how to use different web tools which can help you in building and maintaining sustainable partnerships with other youth organisations;
- Gain skills for using different web and creative media tools (such as blogs, web sites, social networks, audio/video messages, mobile phone applications, etc.)
- Expand and share your knowledge in possibilities of Social Software and New Media and their practical usage in youth work;
- Improve skills in virtual communication with young people and identify the ways for practical usage of the digital media for outreaching, empowering and increasing the participation of young people;
- Share your previous knowledge and experience with others;
- Get needed support in personal and professional development from your trainers;
- Get support for your further follow up activities within the project “Practical Guide Through YOUth Work”;
- Learn many more things and, of course, have fun.

YOU ARE:

THE YOUTH WORKER:

1. active in your sending organization;
2. will be actively involved in preparation and leading activities in near future;
3. new in the field and willing to develop their skills, raise your capacity and gain necessary competences for work with young people on local, national and international level;
4. are able and ready to multiply effects of this training course in your organization/community and committed to the whole process of the long-term project “Practical Guide Through YOUth Work”.

NOTE: It is important that you bring your own lap top to the training if you have one.

PRACTICAL ARRANGEMENTS:

LODGING:

Participants will be accommodated in hotel in the city of Bitola (or near), Macedonia. Organisers will provide 3 meals and 2 coffee breaks per day. The selected participants will receive the detailed Info-Pack with more information about all practical issues of this training and other useful information.

TRAVEL:

- 100% of the total travel costs will be reimbursed ONLY for the cheapest way of transport (according to the travel costs table which you can find in attachment);
- Travel costs will be reimbursed by bank transfer to organization's bank account, AFTER participant provide us with ALL ORIGINAL TICKETS and required documents;
- Travel plan MUST be previously approved by organizers;
- Participants must keep all travel documents (tickets, bills, travel agency invoices and boarding passes), as organizers are able to make reimbursement only on the bases of presented documents.

HOW TO APPLY:

We invite participants to apply for this training and fill out the online **application form** [HERE](#) and submit it **until 10th of August 2016**.

ONLY COMPLETED registration forms will be admitted. Registration forms sent after the deadline will NOT be accepted and as the organizers, we have right to search for another participant. Also, in the case that chosen participant cancel his/her presence on the Training, the sending organization is required to replace him/her as soon as possible with another participant of their NGO. The selected participants will receive confirmation and detailed Info- Pack immediately after the selection.

WE ARE LOOKING FORWARD TO YOUR APPLICATIONS!
